

# **ORGANIZATIONS VOLUNTEERING AT THE 2018 WATERFRONT FARMERS MARKET**

## **Volunteering Organizations:**

- Provide 10 - 12 volunteers from 10pm - 1pm and again from 7pm - 9pm during the designated Market day.
- Volunteers will be unloading and loading Vender supplies from vehicles and helping with the set-up of the Market and vendor booths. (some heavy lifting may be required)
- If your organization is scheduled to volunteer, it is imperative to keep this commitment as the operation of the WFM is dependent upon volunteers each Market day.
- You receive:
  - A sign with the volunteering organization's name, logo and volunteering recognition displayed prominently at the Market on the day of volunteering.
  - Your logo and organization's name on the Market's social media sites promoting your volunteerism on your scheduled Market day.
  - Opportunity for volunteering organization to promote their business with a 10' x 10' booth at the Market during their volunteer day.
    - If your organization has chosen to operate a promo booth, you will need to provide the tent, tables and staff from 1pm - 7pm.
- Opportunity (your choice) for volunteers to conduct an activity at the Market that both educates patrons on the subject of health and wellness and promotes their organization.
